

ANNUAL REPORT 2017-18

Distinguished Personalities on and off the dais, Parents, Teachers and my dear children, a very warm welcome to each and every one of you to our Annual Day Celebration. It is with a sense of pride and extreme satisfaction I am presenting before You the Annual Report of the Year 2017-18.

The Annual Report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

Vidyaniketan Public School, since its inception in the year 2000, always aims to achieve holistic development of our children by all means. Vidyaniketan, as the name denotes “A Niketan of Vidya, a home of knowledge away from home” always take care of the nurturing of innate abilities in every child.

During the academic year 2004-05 our institution was Affiliated to C.B.S.E. During the academic year 2010-11 the school had been upgraded to senior secondary (+2). The School has presented 11 batches of AISSE and all came out with flying colours with 50% A1 in all subjects.

The school sent its first batch to AISSE in the year 2006. The result was marvelous with cent percentage. The consequent batches augmented their seniors in better spirit. Now the eleventh batch has come out in flying colours, 18 Students with full A1 in all subjects.

Each year We holds the Annual Prize Distribution Ceremony to honour those of its students who have made the school proud with their brilliant efforts not only in the academic field but also in the co-curricular areas.

Now, let us have a brief look on the curricular and co-curricular activities of the school during the academic year 2017-'18.

The School reopened on 5th June 2017 with new hopes and joy. Total Strength is 1077 from classes 1 to 10 and 48 trained and well experienced teachers together make our teaching learning fruitful.

The teacher needs to play the role of facilitator of learning and helping students turn information into knowledge, and knowledge into wisdom. Schools need to be porous and transparent, able to connect teachers, students, parents and the community to the wealth of knowledge that exists in the world.

When parents establish a relationship with teachers it helps children do well academically. Teachers welcome the opportunities to get to know parents. We have the Open House System which helps the parents and teachers a lot. Open Houses and PTA meeting were conducted frequently.

Apart from the performances in the curricular activities, we inspire our students to participate in co-scholastic activities because it gives them an extra edge and confidence to move ahead in the competitive world. Various Co-Curricular Activities are held under different Clubs to develop a child physically, morally, socially and mentally and to hone skills in co-scholastic areas. Regular Club Activities are held in which the students participate and display their caliber.

The entire school is divided into four houses . Inter house competitions were held which included Dance, Music, Anchoring and what not which has helped us to pick out many an aspirants for the future world of performing arts. The winners of school kalotsav took part in the Inter school competition.

Celebrations

All the days of importance used to be celebrated in the School with great enthusiasm. Each and every celebration take our children to a different world of knowledge.

On World Environment Day, June 5th , our students took part in Tree plantation. Our students brought saplings and planted in the school garden. Awareness campaign were setup by Nature Club students .

On June 21st our students took part in International Yoga Day celebration Our PET teacher demonstrated different asanas and also taught them the importance of Yoga.

International day against drug abuse was observed on June 27th. A programme was organized on the occasion to educate students

about the bad effect of drug abuse in the society. A role play on drug abuse and its impact on the society was done.

Reading Day was celebrated on 19th June. Various programmes like reading contest, Quiz programmes and Essay writing competition were conducted.

Bhasheer Anusmaranam was on 5th July The Arts Club teacher gave a speech about Vaikom Muhammed Basheer, Our kids enacted the characters of Basheer's story, Quiz Programme was also conducted.

To commemorate Kargil Victory Day on 26th July '17, a special assembly was conducted to pay our heartfelt homage to the martyrs of Indian. Students displayed posters & banners depicting moment of pride, courage and sacrifice shown by our Army Men.

The Hiroshima and Nagasaki Memorial Day was observed with its message of "Peace" to mark the tragedy of the fatal bombing in 1945.

Independence day celebration began with the Indian tricolor unfurled in the school field in the morning. Thereafter, the cultural program began with Patriotic Song and speech by our Students

During National Sports Day PET teacher gave a speech on importance of sports and our Students demonstrated different events.

Onam, Bakrid and Christmas were also celebrated to inculcate harmony within our students with equal importance.

Field trips are an integral part of the thematic approach. Students are given opportunity to visit different places. Such trips facilitate to internalize what they learn.

Group work, projects, presentations, and experiences are part of our curriculum framework. In effect, children learn by doing. This in turn enriches independent thinking and inquisitive learning.

Sports

sports is an integral part of the life of each Student. The success of our students in sports bears testimony to the school's endeavors in encouraging sporting talent as well as our students' indomitable will and skill to win. Our students participated in Vadakara sahodaya sports meet and we were the winners of Sahodaya Football competition and runners-up of Volleyball competition.

TEACHERS INSERVICE TRAINING & WORKSHOPS

In keeping with the school's policy of continuous upgradation of knowledge and skills, our teachers attended various workshops and seminars organized by the school and others so as to improve their academic transaction skills and to update their capabilities.

Many milestones have been achieved and many still have to be reached. We at Vidyaniketan will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education.

This report is a sincere attempt to showcase our progress in terms of achievements and activities during the year.

Now let me take this opportunity to thank all the well-wishers of Vidyaniketan family, Parents and the management of Vidyaniketan Public School for giving me all the support and cooperation in the functioning of the school. Let me also thank all my teaching and nonteaching staff for their unstinting support without which I would not be able to complete my duties as I have done this year. Let me also thank God almighty for showering all the blessings upon my children. Thank You.
